THE ELITE QUAD CHARGING BAY FOR PLAYSTATION MOVE

PSM-EQC

4 USB PORTS

Keep your PlayStation® Move Motion and Navigation Controllers fully charged and ready to use in a stylish and modestly sized charging bay. Because Sony's Move controllers (the Navigation and Motion Controller) have internal rechargeable batteries, operating the charging base couldn't be simpler. Simply place either the Move Motion or Navigation Controllers vertically in the assigned ports, (two pairs can be accommodated) and that's it! The Elite Charging Bay is powered by an AC adapter, which means not having to plug anything into your PlayStation® 3 Console and occupy a USB port, allowing your game sessions to be truly hassle free.

Features:
- Compatible with PlayStation® Move.
- Recharges the internal batteries in your controllers.
- Powered by an included AC adapter.
- 4 USB Slots.
- Accommodates 2 Motion & 2 Navigation controllers.
- Sleek and elegant design.

Specifications:
- AC Adapter Input: AC 100-250V 50/60Hz, Output: DC 5V – 2A

Package Includes:
- (1) Elite Quad Charging Bay with 4 USB Slots
- (1) AC Adapter
- (1) European AC Adapter

**PlayStation® Move Motion Controller not included.*
